OPALESCENCE GO TRAYS

-Opalescence GO prefilled whitening trays pair professional strength whitening with unrivaled convenience! The innovative UltraFit tray easily conforms to any smile and is ready to use right out of the box. It's fast. It's simple. It's effective. Your search for the perfect teeth whitening solution is over.

-This is a 10-day complete whitening cycle for both upper and lower arches. (Patients who get sensitive are encourage to purchase the MELON for a slower, less harsh whitening treatment.)

FEATURES

- Two flavors- **Melon** and **Mint**
- Available in 10% hydrogen peroxide (**wear 30-60 minutes for 5-10 days**)
- Available in 15% hydrogen peroxide (**wear 15-20 minutes for 5-10 days**)

COLGATE WHITENING KIT

-Colgate® Optic White® Professional features a synergistic combination of a quick-dry whitening serum and a rechargeable LED whitening device. The patented formula is designed for **no tooth sensitivity, no gum irritation, and no mess.**

The patented LED device accelerates whitening with a short **10-minute wear time**. See dramatic results in just 5 days when used as directed. This new technology is easy to use, helping to support patient compliance, and is truly extraordinary whitening made simple.

-Kit includes- 1 LED Teeth Whitening Device, 1 Charging Case, 1 Pen with 0.08 FL OZ (2.5 mL) Whitening Serum, 1 USB Charging Cord and Plug

OPALESCENCE SYRINGES

With teeth whitening trays hand sculpted to fit your smile, Opalescence PF teeth whitening offers a customized professional tooth whitening experience in the comfort of your own home. Plus, five concentrations give you the flexibility to whiten when you want; day or night.

FEATURES

- Teeth whitening gel contains potassium nitrate and fluoride for patient comfort
- 35% 20-60 minutes

Zoom Whitening Take Home

Trays

-**Custom-made** take-home whitening trays delivered directly to your door 2-3 weeks after your scan in our office.

-Trays are clear

-Using your choice of gel syringes at home; place a small dot inside the tray for each tooth that you would like whitened.

ZOOM SYRINGES

-**ZOOM Nite White 16%** Carbamide Peroxide Whitening Gel, 2.4 ml syringe. Delivers maximum results for patients who don't mind a longer wear time or prefer whitening while they're asleep.

-**ZOOM Day White 9.5%** Hydrogen Peroxide Whitener, 2.4 ml Syringes with tips. Cool mint Flavor. ACP, fluoride and potassium nitrate for reduced sensitivity. Equivalent to 38% Carbamide Peroxide.

FEATURES

- **Mint** flavor
- The only take-home formula with the Power of Three It's more than teeth whitening. Specially formulated gels protect enamel, reduce sensitivity and help improve tooth luster.
- Zoom Day White 9.5% Hydrogen Peroxide (wear 30-60 minutes)
- Zoom Nite White 16% carbamide peroxide (wear 2-4 hours/overnight)
